HEADMASTER'S MESSAGE

This year Selwyn House was evaluated and accredited by the Canadian Educational Standards Institute. The process has been stimulating and rewarding for all - Directors, Old Boys, Parents, Students, Faculty and Staff. The school is very grateful for their efforts in making a success of this project. Subsequent implementation of the recommendations of the Institute's Visiting Committee will help us fulfil the promise of the school's Statement of Purpose.

A quote from the Committee's report expresses best the success of Selwyn House in general and of this year in particular:

It is the unanimous opinion of the visiting committee that Selwyn House is an excellent school. Clearly the school achieves splendid results in the fields of academics, sports, and in other areas. Most important, also, is the productive and happy tone of the school. The members of this committee were struck by the sense of pride which was evident in all members of the Selwyn House community. This sense of pride in their school is, no doubt, a most important element in the success of Selwyn House.

In retrospect, the past 10 years at Selwyn have given me some great friends and many memorable moments. Thanks to the guys: Chuck, Cars, Fish & Hugh, I couldn't have picked a greater group of friends. You're the main characters in what may become the greatest book ever written. KG, we've had some laughs (the flood, car crashes, Whistler X3). TBH: you're a God. I'll never forget ya! The gals: Landau - I luv ya, Didi, Foof, Tam, Hayley, Chris, Andrea, Tiff, Fred & Vero (the good times were endless!). Notables: summers at Ahmek; Carlos; Chez Christopher's; sipa fever; D.J.ing with JS + RK; Senior Hockey - the rare but always satisfying crushing of the Lions and their pride!; the prefect squad; rafting. Thanks to RW, TJN, SM & EP for your support + inspiration. Greg, Jack, mom, dad, Lucy & Degas - I love you all. All my best to the Class of '91... here we go!!! Forever yours - THE SHOWMAN. "We were never bored because we were never being boring"

Andrew Antoniadis

Of the four years I have spent in this school, I can confidently say that this is by far the best one of all. There are a lot of people to thank starting with the friends. Chief, it's been great; Big Guy, school food will always suck but you'll always eat it; Dib, Rezz and Horse, I'll always remember our great squash record (consecutive losses in tournaments) and my sweaty b__t; Karl, history's never been so fun alors "Va don' chier!" Teachers: JW, I hope there are no "awkwards in this note"; JMc, losing has never been so fun; JW, french has never been more relaxing and PL, I'll keep trying to understand this calculus stuff. Finally I'd like to thank a good friend, TT for making this year more bearable and of course the greatest family (MA, SA, RA, TA and RR) for their support over the years. Good luck to the Class of '91 and keep in touch
TONY

Selwyn has taught me a lot over the past four years that I will not soon forget. It has also left me with lasting memories: PC's law class, a locker next to SHOWMAN's every year, CB's hockey pools, hallway races with AH, BM's killer physics labs, and benchwarming for the senior B-Ball team. I'd like to thank a lot of people out there for making my stay at Selwyn rememberable to say the least, too many to start listing off initials. Hope to see most of you again in the years to come, but to all those people who I might not be lucky enough to see again, I would like to say good-bye and good luck with a new life.

Derek Bradeen

The past eight years have been filled with the good and the bad. But with help from family, friends, and coaches I made it. Mom and Dad thanks for the support in everything. Sara thanks for showing the way. Times to remember: The Point-beat on IG, Island Party, Groom house always a blast: Dave white slug, the Duff 1/2 absolutely over the porch! Pub, Greg let's flip 0\$... tab, don't sit on my wonderbar Jen, floors wet - BS, D-S 'works - VY, UK tour, Led Zep trish, Xtreme 360 "chimp", waterskiing, 7th green AB, 3-man, Hey Champ! TJN you're awesome, Cheers!

Nick Brown

 Someone who will go slowly bald: Pelton
 Someone who will always go slowly: Joe
 Something I'll forget to remember: Chemistry
 Something I'll remember to forget: Lunch
 Some people I'll try to forget but won't: Theo, Echenberg
 Something I'll try to remember but won't: Integrals
 Something I'll pretend to remember but won't: French
 Something I'll pretend to forget but won't: Wrestling
 Something I really will forget: Two thousand train rides
 Something I really will remember: How to tie a tie

Lucas Carsley

Selwyn House has definitely been my life for a long time, and I have enjoyed it. Thanks to my coaches and friends for my many great memories. I'll never forget playing golf with Fish, rolling dice with Dinger, shimmeying with Stinger, Crabtreeing with Mad Dog, and warming houses with Thor. You guys are the ones who made waking up early and hazy math classes worthwhile. I'll miss Volvo and L.L. Bean jokes (K.G.), the Common Pub, Gryphon/Lion games, and Sheppard's Pie. Thanks to my parents, William, and Freddie for bugging me. This might be the end of Selwyn, but it is more the beginning of something else.

Greg Charlap

I'm leaving with nine years of fun filled memories of this place(?) Expo 86', Boston 87', rink soccer, lunch out with the guys, rowing, jackets, Monday mornings. To my friends: D.L. S.S (madman), J.M (choice), J.W. M.S. R.D (skip?), S.E. S.M (elope), K.P (butel), L.L (mom jr.), T.E., K.S. H.D. D.P (Whistler 90') + Nix (gloevege). Camp 90' (play, H.W + A.D + S.W = ?@!?), rafting (R.L + S.S + G.C + S.W = excitement). Mom & Dad, thanks for everything, I love you. Here's to good times. later.

Prosanto Chaudhury

Memories of the 7:30 crew, chem bashes, physics foot-notes, school plays, parties, chess, French plays, debates, late nights with Nexus, trips, stolen bags, and llamas. Thanks to Dr. H., Mustapha D, JW, B Moffat, the long-suffering Werbs, VF & Co, JFM, DP, GB, RW, Marc, Sim and Jim for all your help and encouragement over the years. Apologies and thanks to McEntyre. Thanks also to KO, CM, AH, CB, ND, JS. Finally thanks to the other prefects with whom it's been an honor and a pleasure to work. Without all of you I'd never have made it. I've been here for seven long years and I can't believe that it's finally over. I'm sad because (yes, JS was right) I've loved this place and all the people in it. To one and all long life and prosperity. Thanks again, it's been fun and I'll miss you all.

Joe Copeland

Ohio, São Paulo, Rio, Bangkok, San José, Montreal, and still the wheel turns. After two years at Selwyn, I'll miss extemporaneous (nice word) discussions on the meaning of life (or anything else that came to mind), chess in physics, giving lifts to every imaginable person in the school, unbelievable competition, and Selwynspeak and possibly thought. I won't miss Meech Lake, brutal "cigarette" parties, the French department, or -20C and five months of snow. Goodbye Canada . . . Hello USA!! Thanks to all the dedicated teachers who have been so helpful and patient over the years. Thanks most of all to my parents for the awesome effort undertaken in guiding me through my school years. "If I can fathom all mysteries and knowledge, but have not love, I am nothing." 1 Corinthians 13:2

Tim Daly

Well it's over now. It has been hard but fun. I've made lots of friends that I'll always care about. I also have my memories. Memories like The 1990 Rugby UK Tour, Stratford '90, Leadership Weekend, Norm's Lunches, "The Rocky Horror Picture Show," Chilled To The Bones Productions, and countless movies not made because of casting difficulties. Thanks must go to all those who made my stay possible and fun. Thanks Family, Kit and the Pals, Chung, all my friends at school, and of course all the staff. It's been great, let's do it again real soon. Not.

Nader Dibai

6 years at Selwyn House and not a regret except for the lack of girls, edible as well as discernible food, having to wear a suit for most of my adolescent life, and . . . also . . . come to think of it that's about all the criticisms that I can think of. Could it be . . . is it possible that Selwyn IS really, in general, a great school? It must be. So I say goodbye to a great school and great friends and okay teachers and move onto a new life and pray that one day our paths with cross once again.

I owe so much to my parents for their continual love and support and to my brothers, Paul and Bryan, for putting up with me. My friends in and out of school have definitely been the most memorable part of high school! Five years at Selwyn has been great and now it's time to move on. To the Grad Class of '91: Now this is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning. - Sir Winston Spencer Churchill.

Five years of solid, unforgettable memories: Dining room feasts (veal cutlets), 7:30 arrivals, Grade 9-10 Latin, fatal orientation weekends, countless French plays, nervous debating tournaments, yearbooking, last-minute Chemistry, Physics procrastination, Biology cramming sessions, and those few successful Math contests. Great friends: Chief, Tony, Sambo, Philly Boyer, Slack Matouk, Score KO'R, Whoa Pro, Monkey Jao, and so many more. Vintage curling and badminton seasons, Vezina goaltending during lunchbreak, Nader's parties, urban project, insult contests with Mr. Litvack, and provincial jokes. Amusing profs: CB, Moff Man, AMLumsden, MK, J'humourless'W, Doug Peets, Rollie G... I'll never forget any of you guys. Thanks to my family, and see you all in India.

My 10 years can be summed up in 1 word: endurance. Being the school "mascot" is no easy task. Roast beef in N-D cap, chicken in boots, soup in locker, cold cuts in French book e.t.c. And the names! Moon, Jake, Fatman, Goonie, Jim, Boare, Cheers, Thor, Score, GYM FLOOR, Igor, Fudge, Fateh, BEER HOOOARE. Urban proj., basement bomb, Mt. Four years have come and gone, and I have proven that a little time can do a lot of damage. Hey!, I'll be honest: I'm glad to go, but I'll definitely be back for the free food. Among some of the things I'll never forget (whether that's good or bad) are: Arsenic and Old Lace (hairy legs), the Voodoo BBQ, Stratford, Hallward's party, and, of course, the Bar-B-Barn (Whole Hawg!!). I have many thank-you's to say to all those who helped me survive: My parents, for putting up with me; Amy, for also being strange in a normal world; Pat, for many great concerts; Javier, for introducing me to ska; Jack, for his apartment and his advice about women; Tash; Sara O'B.; the Prefects; Table 2; Fred Flintstone; and Zonker Harris.

Thanks for the memories guys; I'll see you in the future. And remember: If everyone were normal, life would get very boring.

It's been seven great years at SHS. I'm gonna miss it! Wait a minute! I don't need to suck up any more! it's been seven long years at Selwyn. But I made some great friends! Tony! See ya later. Don't forget your diet. Big GUY! Brown power rules! Don't eat too much mashed potatoes. SAM-NAG! You're not sarcastic! Thanks also to C. "depressed"N.; C."tutor"M.; C."benchwarmer"B.; and J."monkey"J. And of course to my parents who shelled out 50000\$ so I could go to this school! So long to everybody at SHS.

Jerry Jao

My clock wails in a war like fashion, signaling the arrival of another school day. I hurriedly do my EARLY morning ritual of changing into my neatly pressed suit and inhaling my breakfast, as I rush to barely catch the train to hell. I return home in the afternoon with a heavier school bag. With all my school work done (right?), I'm allowed to sleep, dreaming this havoc would end, but I will remember these fond moments: Shanahan is dead; Boyer is small, these skies are fire wood Tony; Kash, the suicidal soccer player; Mel, the Monkey beater; the ruthless train gang. Thanks to my family and friends. GOOD-luck everybody!

Rudy Komsic

After five long years here, I've seen some weird and wonderful things: Ottawa, Boston, Stratford, Orientation, Lemon tarts, Europe '90, Carlos in Gr. 9, Cuzie's in Gr. 10, nights on N's I with Bwaarick and the gang, Xtra freakin' yahoos to: J''W''S, J-Y G, R''S''S, A''B''K, R''G''K, the Tayloz, the Rat, Hayvier Skuidmuffin, Jules, Bin, Show, Capt. Kirk, DB for serious violence, A. Rand for inspiration, and P Shannon for laid-back English classes, Brigid, my one & only, and Ian for getting me into Ramones and physics class. Memories: Ramones 4/7/90, Who tickets, MM&M shows et al. Also thanx to: Mom & Dad, Dunc, Ken, Cath, Brigid and Varucker for helping to keep my sanity where it should be: in the toilet.

My last 5 years spent in Selwyn have given me many experiences I'll never forget. Losing soccer seasons, wrestling in Boston, U.K. rugby tour, debating nationals and p.s. in Vict. all these have come together to make my stay more fun. To my friends G.C. - capt., R.D. - how many?, G.S. - sketch, J.M. - Jones, The King, Carlos and everyone else at this school whose made life more manageable thanx - Rook.

Neil Mathews

In grade two I entered Selwyn House a wide-eyed boy of six with an uncontrollable speech impediment. Ten years have passed, and now I leave a wide-eyed boy of sixteen still with the same stutter (though I prefer to call it a characteristic). My stutter and I have been through a great deal at this school and we're both very sad to finally say farewell to it and to everyone who we've met and grown accustomed to over the years. There are many friends we would like to thank for the obvious and the no-so obvious (the list is endless so where would I begin), but recognition goes to our entire grade for being the most unpredictable and inspiring group of people my stutter and I know; we'll never forget any of you -- no matter how hard we try.

Life is full of surprises, It advertises

Nothing. -- DepecheMode

Charles Matouk

I've spent most of my life at Selwyn House. 10 years to be precise. Although it is an academic institution, academics is not what I remember when I think of my life at the school. Sports occupy a large portion of my recollection. I'll never forget the senior Bishop's soccer tournament: the wins, the mud, and the blisters. I also remember coach Govan and the 'fine pine' of the basketball court. (Not all my memories are good.) I remember getting a haircut in Math class, being trapped on ski hill in Switzerland, playing billiards, and the eternal battle cry of, "CPDA!" in my graduating year. This type of rounded education was provided year in and year out at this noble institution. And imagine this: I still found the time to hand in my physics lab by the end of the marking period.

Hugh McGuire

My chapter in the story of Selwyn House is finally coming to a close. It's pages are filled with eleven years of my life, and as I flip through the last few I see these words: Marienbad, cast party, Murray Park, long nights DT, longer in chem, UK Tour, GMAA banners, B.Ball delirium (and a pint o' pipin' hot). I hope the print is not too faded when the time comes for me to study the story in detail. But regardless, I will always remember that without the many enchanting characters, there would have been no magic in this faerie tale. You all know who you are, and with an aching heart I offer every one of you my most sincere thanks. There's a tear in my beer, guys. Let's not lose touch.

Sammy Nag

They said high school will SHOW what you are and what you will be. If they were right, I was absent the day all that happened. Yet for all the days that I have attended, I have met and grown to respect many great people. I would like to thank all my teachers in my three years, and wish them the best for the years to come. BOLD-PRINT mention to K.V (the wild skip), he who expects and deserves CREDIT. Thanks to the little smiling chinese boy, the Meltman (C.B.), K. ("Don't do homework"). R. C.M (Bonusboy), A.T.A. (the ToNe), Je.T. (part-time lawyer, part-time in the Rouge), D.S (Call me when you make the second mil), J.J (Home of the Won Ton), M.E (I don't mean to be mean!) and to (Y.S and M, thanx). To the Sunday Team for getting me thru the week. Death to all Black Holes and Sassmeisters. Lastly, merci to the transit group. A.H (Norm's best friend) and K.I. (Man, I'm "cool"!). 13500 hours of Selly have been fun, I guess. From first-day blazer buttons to last-day McDonald's. (God, we need a life!)

I've had my ups and downs these past eleven years. Thanks to all the teachers who pushed me along the path and to all the coaches for making my life a living hell. Things to remember: grade eight B-Ball champions, soccer (so close yet so far), Orient weekend, skitrips to Switz + France, afterparties, Table 2, ND, KW, JG, JW, CR, SR, (and the list goes on). Thanks to all those that have enabled me to survive through the years, you know who you are. Take care everybody and good luck in the future. If ever you make your way down to Phoenix, Arizona look me up.

Nine years: that's longer than most killers stay in jail. Working on the plays, cast parties, X-country skiing with "Bad Brad", stick tests at lunch, coffee in the Common Room, Stratford, and daydreaming all made it worth staying. (Then there was math!) Special fangs to: Tim, the reluctant star of Chilled to the Bones Productions' films, and the friend with whom I've seen hundreds of flicks; B.H. for his plays and teachings; Marc K. for his patience; Sim and Jim for being two really nice guys who never stop working; CHOM-F.M. for waking me up each morning; my parents; and George Lucas, Steven Spielberg, and the memory of Jim Henson, who all let me dream. "There must be some way out of here." -- Jimi Hendrix. I'll remember this all-male, prep/ snob/ jock/ nerd school for a while, at least -- > Stratford (and all other trips); Cross-country running/ skiing (llamas and loppets and loops) and all the other "sports"; Nexus; telephone networks; Advanced courses; countless classes; carnivals, banquets, dances, and other wastes of time; general immaturity; 5 minutes in a locker; the failed newspaper; buses; and all the rest. Thanks to all my teachers (BM, BG, and BERNIE, above all). The jokes (Whooot, "slow" Joe, ghost writers), the people, the school . . . Each year it gets better; each year it gets worse. From New Boy to Old Boy. I am a graduate now, and I haven't done anything I want. After 5 years of work and waiting, the BALD one leaves, never to return. Well, my S.H.S. career has finally expired after what seemed like an incessant and indefatigable struggle. I have endless memories . . . of hacking and a few of school as well. Special thanks to my mom and sister who I love and thank for their support rather their tolerance. Somewhere down the road (where I have no idea) I'll look back and cherish my time here. Thanks to the FACULTY AND GOOD LUCK TO ALL THE GRADS! "Vanished, what does that word really mean?" - CAMUS.

It is hard to sum up 9 years of fun and frolick but a few memories stand out in my cluttered mind and a few stories must be told: B.C '86, Arts ties with Pat, Snug the joiner, Few, U.K tour (Ed Ball made it great), half court shots, pipin' hot, CAST PARTIES (stop teasing and start pleasin), Alfie, T.J.N, Shannon, The Govaner. My lost loves and future ones, Mom + Dad + Kate, my dogs, and countless others. I would trade all of it away for the friends I gained: J.G, K.O, L.P, S.R, R.G, P.L, J.W, + K.W and many more. This grad note is dedicated to the grade who made my stay enjoyable.

Thanks Mum, Dad, Jamie, Robbie, and Paddy for putting up with me. Good luck GRADS and keep in touch. If it weren't for the last minute, nothing would ever get done.

Selwyn House: I came, I saw, I coasted! Thanks for giving me nine years to catch up on my sleep. My six years at Selwyn House have been violently colorful, to say the least. I have many a man, woman, and animal to thank for my 2190 days of pure academic ecstasy. Thanks goes out 2: Master Tentacle AR - the squid that started it all, P.L Paddy Jellyfish Mutant, Seigfried Slatter and his Alabama humour, Tommy Woo, J.T the Lazy Human Oppossum, J.W. I.H BABY RUDEBOY, Benny Hill and the Snail, Satan Sandford, for repeatedly banging my head against a locker, and finally, my dog Byron. Thanks also goes 2 T.J Nicoll, my family, and my twisted brother for inspiration and support, ALSO HunterGonzo, the St. Lawrence Radical Chic Brigade and lazy afternoons in my New York Boudoir. I will rule a small West African nation one day, but until then folks -- let the squids eat!!! "God have mercy on you swine!" -- Dr. Hunter S. Thompson

Well, my five year sentence at Selwyn House is finally over and I can't say that I have any distinct memories. Everything is merely a blur of classes and exams, students and teachers, trivial successes, and inane failures. Selwyn House did not teach me to become a math wizard nor did it mold me into a professional athlete. I did learn, however, the importance of making an effort. If you try hard for something you will always be successful, even if you don't reach your anticipated goal. I wish all the grads of '91 "success" in whatever form it may take.

Jonathan Skoda

Selwyn has provided me with great insight and knowledge. I wish to thank my friends and family for their support and especially my teachers who are unparalleled in their profession. I know I shall graduate from Selwyn well prepared for the challenging future ahead of me. In parting, I just wish to say to my fellow graduates:

"And will you succeed?

Yes! You will, indeed!

(98 and 3/4 percent guaranteed.)

KID, YOU'LL MOVE MOUNTAINS!

Thanks to all those who I dragged through my final year (you know exactly who you are), esp. the Wonder Twin, Steph and my parents. Remember all the days and nights where having too much fun makes it too easy to forget.

"Once I had a little game

I liked to crawl back into my brain

I think you know the game I mean

I mean the game called go insane

Now you should try this little game

Just close your eyes and forget your name

Forget the world, forget the people

And we'll erect a different steeple" - Jim Morrison

"Jeremiah was a bullfrog,

Good friend of mine.

I never understood a word he said

But I helped him drink his wine."

Remember: we're all still children, at least for a while.
Have one on me in the Common Room (they're carding).

I raise my glass to drink eleven years of memories swimming in my Selly Lager. To the Marianbad, toasting at Carlos, cast party, french play (and lady luck). To the legend of Isa, the Wheat Sheaf, the Swan bombers, sipa, Werby, the "up and under", and to watching a lion swallow its pride. To coaches - M.M, P.C, S.M, A.P - #19, #15. To F.S.F + T.J.N for convincing me of my ambition. To B.F.F, N.D, M.L, N.T, C.T, D.T, S.T - I will never graduate from you. To Huge, Cars, Show, Dishery, Dim, Lin, K.G Coffin, Kermey, Foof, Fredkins - Stinger is always there - You guys are the sunrise in my tequila. And boys, it'll be a long day before that sunrise sets.

David Voduc

I'd just like to take this opportunity to thank everyone who got me through my years at Selwyn; the same people who supported me through the headaches, ulcers, and the nervous breakdowns. I'm going to stop this before people begin crying.

Julian Wainwright

As my departure from the Fun-House looms ever closer. I look back and see that I've truly enjoyed my stay. I recall the good (doctor), the bad and the ugly: KK '88 - CITs '90; Strat '89; Senior Plays '90 '91; SIPA addicts; Bishop 'strips; 5 yrs of soccer; Gonzo & Skuid society; Chicken; dances; parties (cast); trick knee; long weekends, no weekends, monday mornings; the "bible" mastering effective english; sass; hockey pools; "It's time to stop teasin' and time to start pleasin'"; I'd like to thank a few teachers (P.S., G.B., T.J.N., A.P., B.H.), my close friends (J.G., C.R., K.W., K.O., S.R.), the CITs of '90, igor, nyssa, mom & dad, and especially my sis: Carla. What made Selwyn great was all the guys who stuck together and made the best of it: S.H.S breeds comradary.

"What do you want me to do, break out the party hats?" - T.J.N.

"Leaves are falling all around; time I was on my way. Thanks to you I'm much obliged for such a pleasant stay." - Led Zeppelin

Karl Werleman

When looking back, I can hardly forget the fond memories my years at Selwyn have given me: Cast Party '90, Improvisation with Jim J., Stratford, K.O.'s party, River Rouge (volleyball), Bishop's soccer '90, Carlos, Comedy-works, Esprit, French plays ("Broue?"), Sipa ("Nothing like a good fix of Sipa to wake you up in the morning"), Steve Dettmers (pfft, OKAY!), Ball '91, Selwyn Lager, S.H.S. Play '91. To the Gov'nor and the "Lonesome Ponderosa" for making my sporting life fun & competitive. Mme Werbiski, y'était temps que j'quitte ta classe! (Try me once more in English?!). Mom, Dad, Erik, Ferris Bueller, "Thanks for yer support" - Frank Bartles (Bartles & James). And to those I owe the most to: C.R., R.G., J.G., J.W., S.R., K.O., we shan't ever graduate from each other.

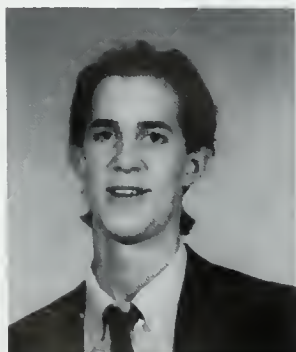

If I leave here tomorrow,

Will you still remember me?

I must be travelling on now

'Cause there's too many places I've got to see.

There once was a class called 2B,
 With wonderful students numbering twenty.
 Together they laughed, learned and had fun
 And always started at lesson one!
 In math Kosuke, Teddy, Carlo and David H.
 Zipped right along and even did more!
 Fabulous stories were written by Sean, Jerome, Zaven and Faysal
 And these were shared with one and all.
 When reading their stories and listening to ours
 We always had a ball!
 For Thomson, one highlight was skating,
 For Vidal, a highlight was gym (straight after recess on Friday - no
 waiting)!
 Also on Fridays, we had lots of pleasure
 Sitting on library cushions, hearing stories to treasure.
 Julian, Andrew and Khalid became bookworms
 As through chapter books they munched!
 Andy, Patrice and Michael were proud of the way they touch typed.
 Julien was delighted to learn cursive writing
 And when asked to do so he never griped!
 Nicky was happy to be with so many friends,
 And David M. who's everybody's pal,
 Made us all laugh 'til we thought we'd die,
 When he told us about the lunch monitor who accidentally stepped in
 shepherd's pie!
 A person who always wanted fair play
 Was our good friend Conrad as we went through each day
 So, there it is -
 One happy grade two year spent together
 Growing and learning and making memories
 To last forever.

There is a super crowd in our class of 4B
But we mix up their names, just wait till you see.

We've **Jonathan, Sniderman, Rieker and Bier,**
And **Jonathan Zucker** too, so it's very clear,

That the J's really have it, and what is more . . .
We've lots more J's in THIS Grade Four.

There's **Jeffrey Salomon** who is very quiet,
And **Jeremy Baskin**, if there's Music he'll try it.

Add to this **Joshua Chinks** who LOVES to rap,
And **Jamie Dietcher** who is never in a flap.

Jordan Goldwarg is yet another J,
Who with **Alex Tsoukis** works hard ALL day.

From N.D.G. we have **Guillaume Gouin-Descarries**
And from Italy comes **Khalil El Khodary**.

Our artist, **Joost van Dam** came from Holland this year
And he and **Michael Lore** are designers, that's clear.

There's **Adam Blanshay** who can sing all day,
And hockey is a game **Clifford Adelman** loves to play.

Samuel Malkinson likes to talk with great feeling,
And **Martin Pitt-Bradley** enjoys every dealing.

To keep us on target we have **Hans Black**
And there's **Zubin Mirchandani** who is always on track.

So this is our class of 1990-91,
Who discuss and consider until work is done.

Mrs. Lynn is their teacher and together they share
Fun, laughter and good times without any cares.

SENIOR SOCCER

This year's Juvenile Soccer team was fortunate enough to enjoy a memorable season under the inspirational coaching of Alfie "The Lonesome Ponderosa" Paoletti. Although we got off to a slow start, we gritted our teeth and battled to attain respect in our division. Almost every game was decided by one goal, and we proudly emerged from regular season play with one point (such statistics are grossly deceiving). Led by coaches Paoletti and Govan, we competed in the nationwide under 18 tournament held at Bishop's college. We played hard and proved our regular season deceiving by posting a 3-3-1 record against the best teams in the country. Led by veteran captains Kierra O'Regan and Joel Guinness (the team's leading scorer), our team made up for what it lacked in raw talent with character. Rookies Andrew Horsman, Jon Skoda, Rudy Komsic, and Theo Nanidis enjoyed good seasons. Jeremy "Piglet" Taylor was solid between the pipes, with experienced defence-men Jerry Iao, Nick Brown, Rob Dorfman, and Kashif Irshad in front of him. Our big-hearted midfield consisting of Dave Levenson, Charles Matouk, Julian Wainwright, and Greg Charlap supported our strikers duo: Karl Werleman and Rob Geller. With 94% of the team moving on to bigger and better things, you can rest assured that other teams sigh a breath of relief as the Selwyn soccer dynasty comes to a close.

Thanks for a memorable season, coach.

MIDGET SOCCER

This year's midget soccer team had a successful season. Our team, led by co-captain Colin Robertson, stopper Ryan Antoniadis, mid-fielder Blair Pattee, and striker Cody Barker-Greene, finished with a 4-2-2 record in GMAA play. Highlights of the season included winning the LCC Invitational Tournament as well as a victory over a strong Pierrefonds Comprehensive school in the pouring rain. At the beginning of the season our hopes and expectations were high. On paper, however, we were one of the weaker teams in the league. We proved that heart and hard work (Mr. Govan's philosophy) can win games and take a team into the playoffs. Unfortunately in losing a heartbreaker to Pierrefonds, we were knocked out, but not before proving that we were not a team to be taken lightly. Considering the injuries to our first string keeper Rob Maranda, and 2nd string keeper Velos Christou, we finished respectfully in our league. Had it not been for the emergency for 1st year keeper, Philippe Vinois, we would probably have found ourselves watching the playoffs from the sidelines. The team's personal thanks goes out to Mr. Peter Govan who made this whole season possible with his dedication and perseverance. We look forward to another strong season next year with nearly three quarters of the team returning.

- Chris Dedick

BANTAM SOCCER

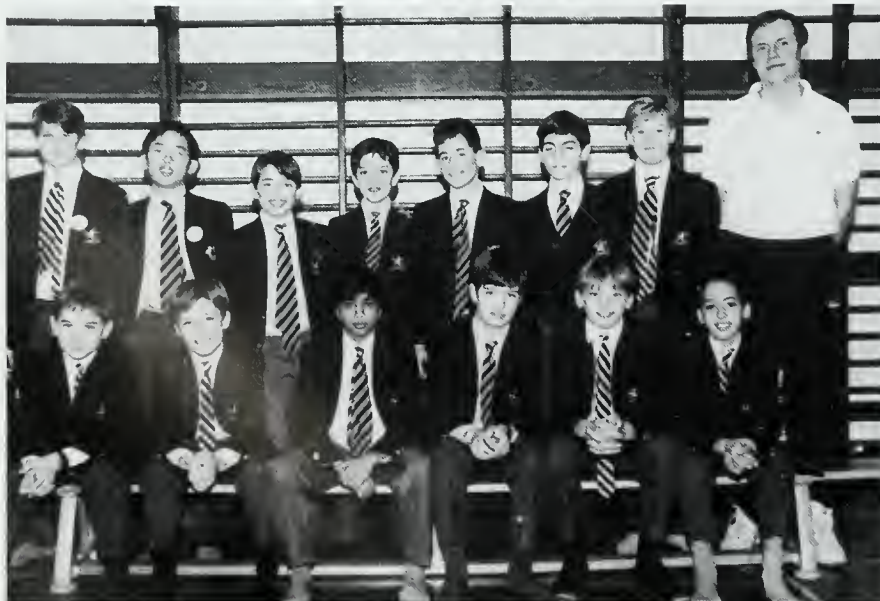

We placed well at the tournaments this season. We finished 2nd place at the LCC Tournament after an exciting shoot-out against LCC. Later in the season we placed 2nd at the Centennial Academy Tournament. On all teams there are always a few who stand out and center half Weigensberg, goalie Trubiani, left half Ouimet and center forward Schaffer filled these spots on our team. There was a constant effort from the rest of the team throughout the season. We showed our desire to win when we came back from a two nothing deficit against Loyola to tie the game in the final seconds.

Thank you coach Cude for a fun-filled season.

SENIOR FOOTBALL

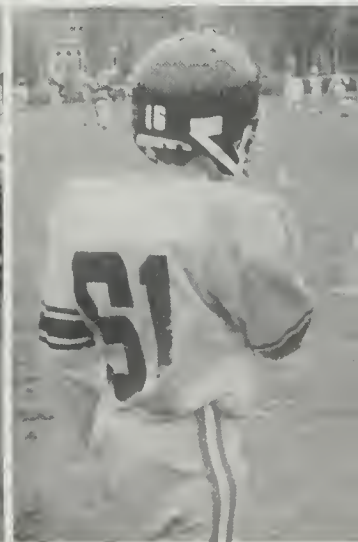

BANTAM FOOTBALL

This year as in other years, Bantam football had an exceptional team filled with great players. Led by Jeremy Lenk, Jamine Kerner, Tom Kabuga, and Robbie Boeckh our team had top-notch leadership. We went into the semi-finals with a record of 3 and 3. Unfortunately we couldn't put the 'pigskin' in the end zone and advanced no further. Chris Gayton and Jamin gave us the large boosts of yardage. Louis Pearson and Clint Kokinasidas deserve recognition for their hard work. Thanks go to Coaches Mitchell, Boyle, and Downey. Good luck to all returning Bantam players next year.

CROSS COUNTRY RUNNING

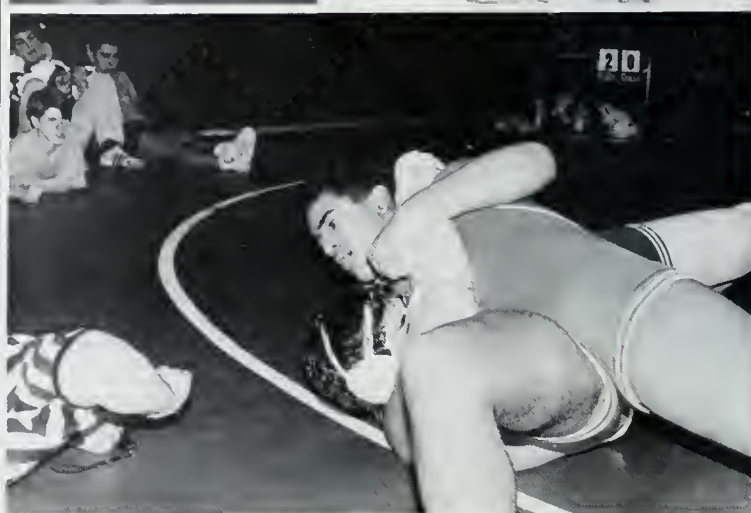

The cross-country running team's 1990-1991 season was characterized once more by effort and, every once in a gorgeous while, results. The efforts were outstanding ones and the results, when they came, were magnificent. The season featured the individual performances of such dedicated runners as Damion Stodola, Matthew Pelton, Andrew Taylor, Alexandre Smith, Colin Grey, and Thomas Hessler, along with the inspiring coaching of Bruce Glasspoole. Through the hot, the cold, the wet, and the dry, the cross-country running team persevered enthusiastically to produce what was, in almost all respects, an exemplary year.

SENIOR HOCKEY G.M.A.A. CHAMPIONS

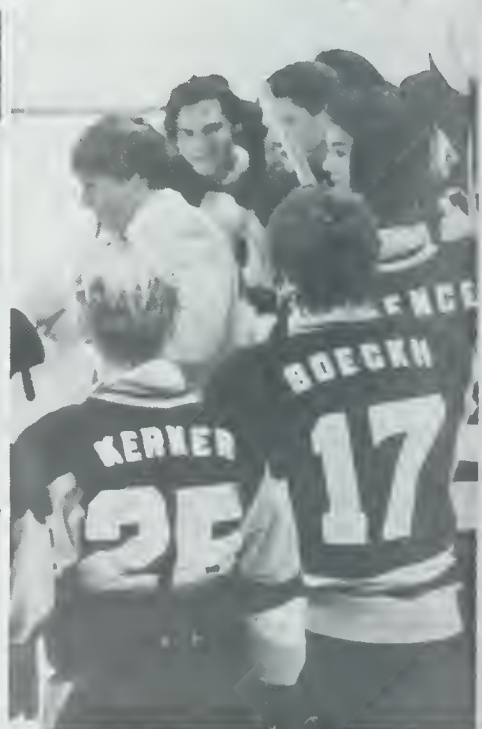

This year, the Senior Hockey team had its best season on record. The team got off to a slow start. However, as predicted, with hard work and a collective effort from the players and coaches, the team got back on its feet after Christmas. The season ended with sixteen wins, four losses and a tie. The players seemed somewhat surprised with their mounting success and their eagerness increased with every game. A sudden-death tie-breaker against Collège Bourget ensured a play-off spot. The following week they faced Collège Jean-Eude, the first-place team, as yet undefeated. They won the best of three series 3-2, 3-5 and 5-4. They were in the finals!

The team took the final series against Collège Brébeuf 6-4, 3-5, 2-1, making it the first time the Selwyn House Senior Hockey team won the Montreal G.M.A.A. City Championship.

Thank you to Coaches Mitchell and Nicoll.

MIDGET BASKETBALL

SENIOR/BANTAM BASKETBALL

Alfie-Genius, Joel-Prodigy, Colin-ego is just part of the game, StuRut-iron checks, Kierra-Phoenix Suns 1st round draft pick, Karl-Werlebird, Julian-beyond words (best 9th man in the league), Mike-trick knee, Chris-Free throw Maestro (goaltender), Charles M.-Mr. «3» Charles T.-Pull-up, little jumper, Hugh-The Russian Spot, Jeff-Jeff's . . . Palace (Toronto)

This year's Bantam Team competed in the highly competitive GMAA "A" division and although our won lost record was disappointing there was much reason for optimism. The boys led by Stuart Weigensberg captured the West Island Invitational Tournament and late in the season crushed Lachine to eliminate them from a play-off spot after they had beaten us convincingly in an early season encounter.

The hard work of players such as Andrew Lord, Neill Hunt, Ronnie Sirdeshpande, Christopher Trubiani and Mallar Chakravarty resulted in significant improvement in the team's performances late in the season. Many thanks to coach Govan for his unrelenting enthusiasm and efforts.

GRADE 7 BASKETBALL

CROSS-COUNTRY SKIING

This year once again, the Selwyn House cross-country ski team's performance was exemplary. Only poor attendance at the second race of the season due to widespread illnesses prevented the team from winning the G.M.A.A. championship in one or more categories. As for individual efforts, Kit Pasold, Colin Grey, Matthew Pelton, Alexandre Smith, as well as much improved Damion Stodola, and Ian Hodkinson, all performed exceptionally.

CURLING

The Selwyn House curling team endured another season filled with wins, losses, excitement, staredowns, show-downs, letdowns, amazing shots, and even the occasional lecture. 1991 could be labelled as a rebuilding year for Selwyn House curling since only three members of the 1989-1990 team returned to play again this year. We were forced to reach out and recruit three blossoming curling stars from the Selwyn House community. With all this looming in the back of our minds, we still managed to put on a good show, posting an overall season record of 14-15-1. Skips Neil Matthews and Kim Voduc confidently led their teams through one curling battle after another, facing teams that took curling more seriously than the Persian Gulf War. We provided the previously undefeated Lachine High School curling team with their first losses. We defeated Centennial Academy on a number of occasions with relative facility. We even prepared ourselves to get into a curling brawl with L.C.C., but we thought better of it at the last moment. All eight of us spent a countless number of hours travelling in buses to the remote curling clubs of Quebec, looking for challenges. Rookies Kashif Irshad, Clint Kokinasidis, and Chung Nguyen filled early-season holes with tremendous efforts, and semi-veterans Sammy Nag, Matthew Adler, and Ansar Hassan performed their fair share of unforgettable heroics. Our highlight of the season, however, came at the Selwyn House Invitational Bonspiel. After Coach Martin pumped us up with a fiery pep-talk, Selwyn House curling went through a renaissance period. Our A and B teams performed extremely well, finishing second and third respectively and beating teams we thought we could never beat before. It was undoubtedly a memorable season. I'd personally like to thank the skips, and on behalf of the entire curling team, I'd like to thank Coach/ Mr. Martin. Good luck to all future Selwyn House curling teams.

WRESTLING

The 1990-91 Wrestling Season was very successful and saw a marked improvement in the performance of the Gryphon wrestlers. Despite having a young team, we were able to achieve excellent results, thanks to the mental toughness, hard work and dedication which each athlete was prepared to give. The future looks indeed promising, based on the following results:

G.M.A.A. Medalists:

Nick Robinson (gold 87 lbs)
Cody Barker-Greene (gold 95 lbs)
Mark Lamorey (gold 132 lbs)
Nick Brown (silver 153 lbs)
David Levenson (silver 111 lbs)
Donald Vinh (bronze 132 lbs)

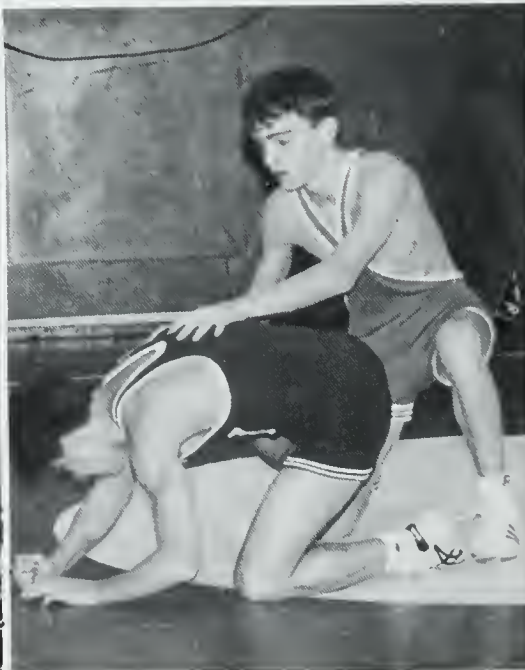

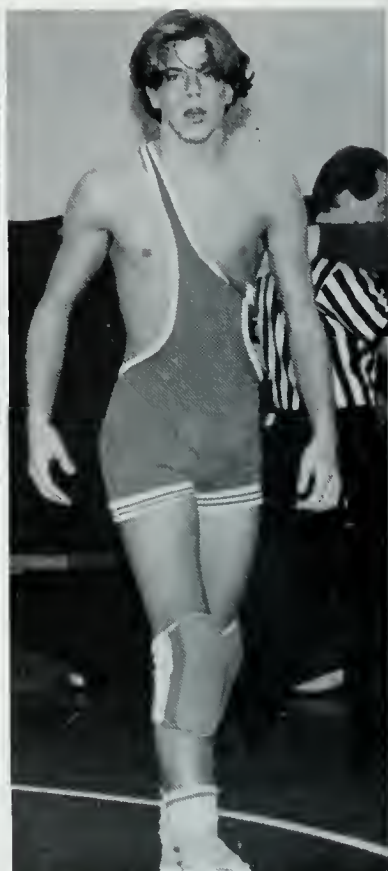

Contributing to the teams overall finish were graduating veterans Tim Hoare, Jon Taylor, and Andrew Raisman. Also a bonus were Ben Wakrat and Patrick McEntyre.

This years results were outstanding, especially considering that 22 out of 35 competitors were rookies. These include: Samir Sidi, David Williams, Andre Goddard, Adam Frappier, Cody Barker-Greene, Andrew Heathcote, Paul Dery-Goldberg, and Trevor Yeung.

Taking top honors at the Provincials was Nick Robinson, who wrestled his way to a gold medal in the 40 kg weight class and who was chosen to represent the Province of Quebec at the 1991 National Cadet Wrestling Championships in Saskatchewan. Also winning medals were Mark Lamorey (bronze medal), Patrick McEntyre (Bronze medal), Trevor Yeung (silver medal), Paul Dery-Goldberg (bronze), Samir Sidi (silver), and J.J. Wakrat (silver).

Next years team looks very promising and we will be looking to veterans Mark Lamorey, Pat McEntyre and Donald Vinh for their leadership in their final year.

Special thanks to coaches Moore, Maurovich, and Schwartz.

SENIOR RUGBY - G.M.A.A. CHAMPIONS

MIDGET RUGBY G.M.A.A. CHAMPIONS

Without much surprise, the 1991 Midget Rugby team had yet another great season. Winning all of our games including the tournaments, Toronto trip, semi-finals, and finals, we came to find ourselves a little over confident at some points near the end. Actually we had reason to be "cocky". We were defending the championship after having also gone undefeated last year. We were on our way to a Selwyn House record in having two straight undefeated years in a row. The season started with a trip to Toronto where we played and won two games in really miserable conditions: very cold, and wet! We came back to Montreal feeling quite happy, knowing that we would soon open the season against LCC. To make a long story short, we shut them out by something like 30 points. We moved on to the seven's tournament where we entered two teams. The first team went all the way seeming to find no real competition throughout the tournament. We were all very (maybe too) confident after that and we found ourselves in a crucial game against Loyola at the end of the season where Loyola demolished us (by our standards). The game ended 7-6 in our favor after a penalty kick was made late in the game.

Anyway, we made the finals and defeated WIC to win our second midget rugby championship in a row. Special thanks to Coach Maurovich and all the midget players.

BANTAM RUGBY

ROWING

The Selwyn House Rowing Crew had an excellent season. As part of the Montreal Rowing Club we had access to the Olympic basin's training facilities and coaching staff. Head coach, Mr. Fotis, aided by elite rower, Mr. Lumbomur, and assistant coach, Mr. Moffat, organized a very strong training program.

All of our team members passed the Shuttle Run Test in the top 20% of the province to win a place on the team. The early ergometer tests showed consistent improvement in all rowers and training in the indoor rowing tank developed proper technique. For the first time, the city of Montreal filled the basin before May 1, so the team had three weeks on the water before their regatta, the Schoolboys' Championships, on May 18. Most oarsmen got the chance to row in "eights", "fours", "doubles", "pairs" and Dave Voduc and Alex Lyons tried the single sculling trainers.

Selwyn House competed with two "coxed fours" and an "eight". The events were so closely scheduled that there was little rest between events. The first race went well with Lamorey coxing the "A" boat of Charlap, Brown, Flanders and Horsman. The coxswain is responsible for the organization of the crew and equipment, he steers the boat and motivates and instructs the crew on the water. Greg Charlap was the stroke, setting and holding the pace for the rest of the crew to follow. This crew raced to a second place finish.

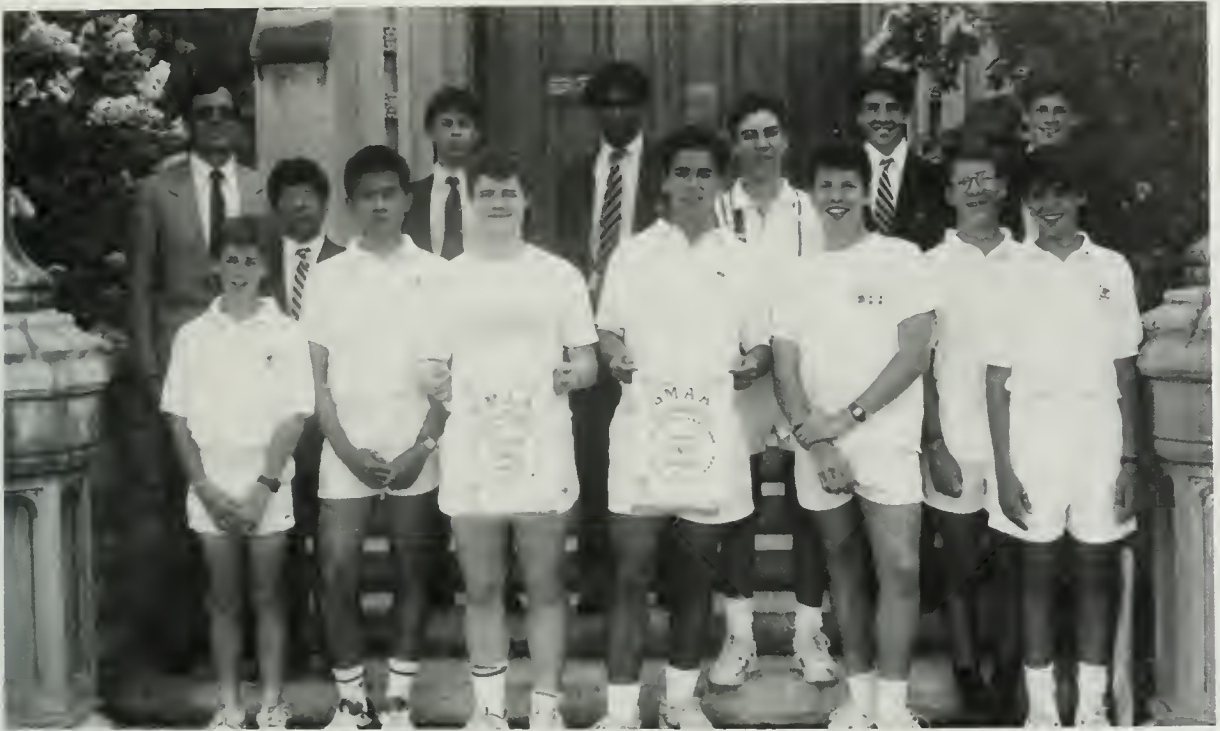

The "B" boat had Dave Voduc as stroke backed up by Alex Smith, Alex Lyons and Jerry Jao. They fought for fourth place in the field of five. During this race Alex Smith distinguished himself. He was moved from first seat to fifth seat in the eight for the next race.

There were only three eights competing this early in the season. Selwyn was holding second place after a good start and were setting a cruising pace when the competition from Ontario made an early move that would have sent them into the lead had they kept to their lane. An unbalanced pull sent them on a collision course with our boat. They were warned away by the officials but failed in their attempts to avoid and rammed us. Cox Lamorey was able to keep our boys in line and on tempo and completed the race without further incident.

An excellent year of training wound up with good results, a fit crew, three fine finishes, and a little extra excitement in the last race. Congratulations to the crew that made it all happen. Nick Brown, Greg Charlap, Dan Flanders, Andrew Horsman, Jerry Jao, Mark Lamorey, Alex Lyons, Patrick McIntyre, Alex Smith, and Dave Voduc.

A trio of young mathematicians from Selwyn House School took home top honors recently in the 7th Annual Miss Edgar's and Miss Cramp's Math Contest in Westmount.

Grade 7 students Jonathan Stern, Koichi Watanabe and Hiroto Arita each wrote the 35-mark exam. They finished with a combined score of 88 out of a possible 105 marks.

That result was good enough for the team trophy — which goes to the school with the high-

est ranking trio of students.

The boys — all of whom are residents of Westmount — were awarded their championship trophy Jan. 14 during a school assembly at Miss Edgar's and Miss Cramp's.

Jonathan, 12, was also awarded the math contest's bronze medal — in recognition of achieving the third highest mark among the 221 Grade 7 students who competed.

He scored an impressive 31.5 out of a

possible 35 correct answers.

The math exam, which took place in mid-December at Miss Edgar's and Miss Cramp's, was written by students from 25 public and private schools throughout the Island of Montreal.

It consisted of Grade 7 mathematical problems like equations, multiplying fractions, changing percentiles, geometry and general word problems.

Dinner Marks Grads'

Dear Graduates of the Class of '91:

On behalf of the Selwyn House Old Boys' Association, I wish to congratulate you on becoming a graduate of Selwyn House. By virtue of your successful years at Selwyn House you have become a member of a rather distinct and remarkable group.

The SHS Old Boys' Association is the part of Selwyn House that remains with you after graduation. Life after SHS continues through CE-GEP, University and, eventually, onto professional careers. Some of your fondest memories will come from your youthful experiences here at SHS, such as: last year's Rugby tour to England and this year's senior hockey G.M.A.A. championship, the school play, "Arsenic and Old Lace," early admissions to established Canadian and American Universities and other achievements.

The Old Boys' Association provides for reminiscing through reunions and events such as the Annual Dinner, Alumni Hockey tournaments and special events evenings such as the recent Gwynne Dyer lecture. We endeavour to maintain links with former classmates and to provide news of the School. We are also active in supporting the School through Annual Giving.

The friendships you have made during your years at Selwyn House will always be with you. Although you will drift apart in ensuing University years, you will be surprised at how classmates become reunited in different parts of the world and in future business relationships through the Old Boy network.

Your class representatives have been selected and these individuals will be your contact through whom you can remain informed about the activities of the Old Boys' Association and the School. Please keep us up-to-date on all your news and moves so we, in turn, can follow your progress.

I wish you, the Class of '91, every success for the future; we'll be in touch.

ELEMENTARY CLOSING AND GRADE 7 GRADUATION June 18 1991

Perhaps this year's most significant change for some Elementary School students and parents has been our dropping, in Grades 1-6, numerical grades as a measure of student achievement. In their place we have separated achievement into five letter-designated levels, with descriptive criteria matched to learning objectives in each grade. Our aim in evaluation, consistent with the school's Statement of Purpose, is to promote the joy that can be found in learning, and to de-emphasize the unhealthy competitiveness that marks can induce. As we continue to study and refine this system, students and parents should gain confidence in its consistency, fairness, and good sense.

In keeping with the spirit of the change in our marking system, the elementary "prizegiving" no longer exists; in recent years it has become -- despite its good intentions -- more of an exercise in exclusion rather than reward. Through Director's Awards and other ongoing forms of recognition and praise, we seek to encourage all boys throughout the year for their effort, achievement, and citizenship. The Elementary School Closing and Grade 7 Graduation does feature "special awards"; they are both a concession to tradition as well as a recognition of the achievements of a few boys. We celebrate primarily the success of all students this year, and particularly that of the Grade 7 class, who graduate to the Secondary School.
